

# MyCareerShines.org Offers You Free Career Planning

MyCareerShines helps you learn about yourself and discover career options and opportunities for your future. Access information, tools and tips to help you plan and achieve your education and career goals. All in one place. At No Cost.

- **Learn About You**

MyCareerShines has interactive, easy-to-use assessments that you can take to determine your interests, skills, and work values. MyCareerShines then shows you a detailed list of careers that fit you best, based on your answers.

- **Explore Occupations**

Already have a particular career in mind? Thinking of changing fields? You'll learn about hundreds of possible careers, and the skills and education you'll need in order to get hired.

- **Discover Educational Opportunities**

MyCareerShines has more than 7,000 schools for you to explore. Research and compare colleges, universities and technical schools; learn what majors and degrees they offer, the cost to attend, how to obtain scholarships, and much more. All in one, convenient location.

- **Use English or Spanish**

All MyCareerShines tools – the self-assessments, career exploration, educational information, job-searching advice, and more – are available in both English and Spanish.

- **Take MyCareerShines With You**

Create your free MyCareerShines account and it's yours for life.

- **Build Your Personal e-Profile**

MyCareerShines lets you build your own, customized e-Profile webpage. It's a convenient, online location to create and store your résumé, cover letter, references, and other employment-related information. You can even share it with employers.
